In the name of Allah

Praise be to Allah and peace be upon Prophet Mohammad, May Allah bless his soul. Everybody knows the importance of monotheism and the danger of polytheism, Allah has said in Holy Quran:

"إن الله لا يغفر أن يشرك به ويغفر ما دون ذلك لمن يشاء"

The last three centuries embraced the pure monotheism, in the latest third century of Hijra appeared the heterodoxy of visiting graves and prevailed between the rejecters that they had parties such as Al Batniah from Abidiah and Ismailiah, then in fourth and fifth of Hijra visiting graves prevailed very largely between Muslim in favor of Sufism, Sunnah people who confronted these believes, Ibn Timaiah was the most famous sheikhs who confronted these believers, they prevent this heterodoxy by proof and evidence and follow the same way. Sheikh Mohammed Bin Abdul Wahab and his followers, called for monotheism, and due to the bad need for the books of those pioneer scholars, I found that the book of (methodology of constitution and sanctification in prevailing doubts of Dawood Bin Jarjees) for Sheikh Abdullatif Bin Abdul Rahman Bin Hassan, to reply on (Conciliation of belief Muslims) for one of calling for visiting graves in his age.

Causes of selecting this book

- The scientific value of book and its rarity.

- Plenty of heterodoxy books and its prevailing among Muslim.
